

## WOODLAND'S FAMILY COMMUNICATION UPDATE

Complete Care at Woodlands wants you to know that we remain committed to providing upfront and transparent daily updates regarding COVID-19 in our facility. We will continue to host video conference calls if positive Covid is identified so you can remain as up-to-date as possible. Rest assured that our staff remains vigilant and supportive, and we are so proud of their loyalty and dedication!

The Covid 19 Pfizer Vaccination booster was administered to residents who provided authorization on 10-15-2021. The next scheduled Pfizer vaccination dated will be 11-05-2021.

Flu vaccine distribution is scheduled for the week of October 25<sup>th</sup>, 2021. If you have questions you may contact Cindy Dozsa our Infection Preventionist.

Complete Care at Woodlands will continue to follow protocols and guidelines established by both the State and Local Department of Health regarding daily and weekly data submissions pertaining to Covid-19. The Center will continue to follow guidance regarding the reopening phases developed by the CDC and Department of Health pertaining to Long Term Care establishments. **Currently Union County transmission rate is high according New Jersey weekly updates.**

Moving forward we will continue testing staff and residents according to the established CDC, Local and State guidelines.

We thank you for your support during this difficult time. We continue to follow to the letter the direction of the Department of Health. Please feel free to reach out to us at 908-753-1113 should you have any additional questions.

Regards,

Michael Bahooshian  
Center Executive Director
